Measure AA Voter Information

CITY OF WILDOMAR
Fall 2018

Measure AA on November 6th Ballot

- On August 8, 2018 the Wildomar City Council unanimously placed Measure AA on the November 6, 2018 ballot.
- If approved, Measure AA provides local funds for Wildomar's public safety and other city services including local police and fire, 911 medical response times and maintaining local streets, roads and potholes.

Official Measure AA Ballot Question

Wildomar's Public Safety and City Services Measure.

To protect Wildomar's financial stability/small-town character by maintaining and improving local police/fire protection/911 emergency response; improving traffic flow/safety including Bundy Canyon, Clinton Keith, Baxter roads; fixing potholes/streets; addressing homelessness; and other general municipal services; shall the measure establishing a one-cent sales tax providing approximately \$1,700,000 annually until ended by voters; requiring financial audits, citizen's oversight, all funds for Wildomar, be adopted?

YES	NO
------------	-----------

What is the Issue?

- Over the last six years alone, **Wildomar lost over \$12,500,000 from Sacramento**. This has caused the City to:
 - Cut back on neighborhood police patrols
 - Cut back on maintenance and upgrades of local streets
 - Cut back on maintenance and upgrades of local infrastructure
- Wildomar does not have enough fire stations, firefighters and emergency paramedics to address the needs of our growing city.
- A majority of responses to 911 calls don't meet emergency medical time standards.

What is the Issue?

- State takeaways has caused the City to reduce neighborhood patrols.
- More than 30% of Wildomar's streets are rated 'poor', 'very poor', or 'failed' by independent pavement management engineers, with many additional streets still unpaved. These essential repairs and safety improvements may become more expensive over time.

Public Safety and City Services Priorities Include...

- Maintaining and improving local police and fire protection
- Preserving 911 medical response times
- Maintaining local streets, roads and potholes
- Requiring all funds be used in Wildomar

What Fire Safety Needs Does Measure AA Address?

- If enacted, Measure AA can help upgrade the City's only current fire station and add more firefighters and paramedics.

Measure AA Funds Remain Local

- Measure AA funds will remain local.
- Measure AA funds cannot be taken by Sacramento.
- Measure AA funds can only be used by the City of Wildomar for lawful public purposes.

Financial Protections

- ✓ Measure AA provides for independent financial audits to ensure funds are spent properly.
- ✓ Measure AA funds are protected by law from the state.

Voter Information

- Measure AA is a local City of Wildomar measure on the November 6 election ballot. If passed, Measure AA would provide local funds for Wildomar's public safety and other city services.
